

RESOLUTION OF THE VILLAGE BOARD
OF THE VILLAGE OF NEW AUBURN
DETERMINING SEWER SERVICE CHARGES

WHEREAS, the Village of New Auburn has adopted a Sewer Use Ordinance and Sewer Charge System, which provides at Section 18 that Sewer Service Charges are to be reviewed annually; and

WHEREAS, the Village Board has caused an audit of the Sewer Use Ordinance by our auditing firm WIPFLI.

NOW THEREFORE, being that the Village of New Auburn must adopt an equitable Sewer User Charge System as described by the Sewer Use Ordinance and being that at this time all users discharge wastewater similar in strength, but varying in quantity, the following rates are adopted and take precedence over any and all pre-existing agreements:

<u>METERED SERVICES:</u>	PER QUARTER
1. Minimum Charge	\$20.00
2. Debt Retirement Charge	15.50
3. Treatment Charge (per 1,000 Gallons)	7.21

<u>UNMETERED SERVICE:</u>	
1. Minimum Charge	\$20.00
2. Debt Retirement Charge	15.50
3. Flat Rate User Charge: (Based on 12,000 gal per Quarter)	<u>86.52</u>
Total.....	\$122.02

<u>SEPTAGE DISPOSAL FEE:</u>	
Minimum Holding Tank Waste Charge	\$34.50 Fee/1,000 gal.
Minimum Septic Tank Waste Charge	\$81.14 Fee/1,000 gal.

<u>SURCHARGES:</u>	
A. Any User Discharging Wastewater with:	
BOD is excess of 275 mg/l	\$0.79/lb
SS in excess of 275 mg/l.....	\$0.16/lb
B. Industrial Cost Recovery	N/A
C. User outside of Village Limits (Fee + 25%).....	125%

ANNUAL REVIEW:

These charges are to be reviewed at least annually and all excess revenues from a user class shall be applied to the Operation & Maintenance and Replacement (OMR) costs attributed to that class for the following year.

REPLACEMENT ACCOUNT:

A separate account shall be established for Replacement Cost Revenues.

This resolution shall take effect the fourth quarter of 2005, billable in January 2006.

Adopted the 22nd day of September 2005.
